

SMD 2835 LED Rigid Bar

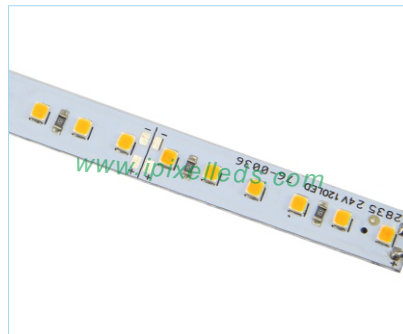

Product Description

White LED Chip

Warm White LED Chip

Back Side

This is a regular aluminum light bar with aluminum PCB,
Milky white & clear shell on top of the bar,
DC24V,15W/m,
we used 120pcs high brightness Samsung SMD 2835 LED,
Cuttable every 5cm & 6LEDs,
Each bar attached 2 pcs metal holder for installation use.
Different color and color temperature are available

Product Datasheet

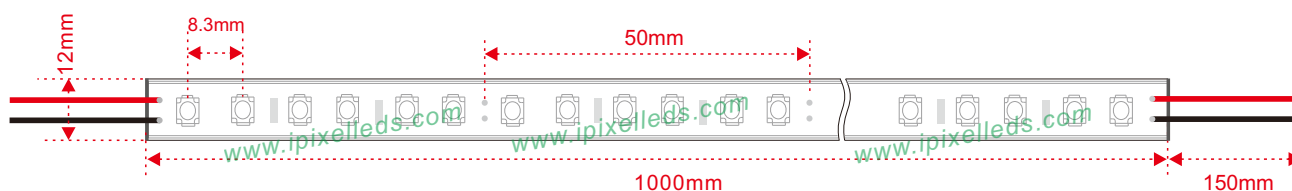

Product	Number	B012120BC1LZ
Light	Source	SMD 2835
Beam	Angle	120°
LED	Quantity	120leds/m
Size	(mm)	L 1000* W 12 mm
Emitting	Color	White/Warm white
Operating	Voltage	DC24V
Power	(pcs)	14.4W
CCT (Color Temperature)		W:3910-4260K / WW:2860-3080K
Luminosity (M/lm)		W:1300 / WW:1400
CRI	(Ra)	≥75
Waterproof	Rating	IP20/IP67
Operation	Temperature	-40℃-60℃

Application

Back lighting, edge lighting
Signage board, car's lighting
Cabinet, cupboard lighting
Jewelry store
Indoor lighting

Outline Dimension

Waterproof tube cross
section parameters:
(Unit: mm)

IP67
